The figure is an aerial map of the Nuo Yama Territorial Plan area. The map shows a complex network of roads, railways, and buildings. A large rectangular area in the center-right is highlighted with a grid pattern and color-coded parcels. These parcels are primarily red, purple, and green, representing different ownership or usage categories as defined in the legend. The legend, located in the top right corner, includes labels such as 'PLANO DE SUELOS' (Land Use Plan), 'TIPOS DE SUELOS' (Types of Land), 'TIPO DE USO' (Type of Use), and 'USO DE SUELO' (Soil Use). It also contains a key for 'TIPOS DE SUELOS' with four colored squares: orange, grey, red, and purple.
